

# Chemistry & Chemical Technology 2022

## Student scientific conference

Vilnius

Ch

2022

*The conference is dedicated to the 225<sup>th</sup> anniversary of Vilnius University's Institute of Chemistry*

Student scientific conference “**Chemistry & Chemical Technology**” will take place on the 13<sup>th</sup> of May of this year, at Vilnius University, Faculty of Chemistry and Geosciences, Saulėtekio 3, LT-10257 Vilnius.

**Aim of the conference:** To provide students with an opportunity to present their scientific research in chemistry and chemistry-related fields to a larger audience, see the work of their peers, exchange ideas and experience, receive valuable advice or constructive feedback, and, of course, make new friends. We encourage students to become involved in scientific activity as early as possible.

### Participant registration:

10.00-11.00 AM.

### Beginning of the conference:

11.00 AM, conference hall A101 (NFTMC, Saulėtekio 3, Vilnius). Depending on the epidemiological situation, the conference may be moved to a virtual platform.

**Presentation duration:** up to 10 min.

**Official languages:** Lithuanian, English

### Scientific committee:

Prof. A. Beganskienė, VU;  
Assoc prof. J. Dodonova-Vaitkūnienė, VU;  
Prof. K. Baltakys, KTU;  
Prof. S. Grigalevičius, KTU;  
Prof. T. Paulauskienė, KU;  
Prof. S. Tumkevičius, VU;  
Prof. A. Žukauskaitė, KU.

### Organizational committee:

Prof. S. Tumkevičius (chairman), VU  
PhD stud. G. Inkrataitė (secretary), VU;  
Assoc. prof. Ž. Stankevičiūtė, VU;  
Dr. S. Višniakova, VU;  
Dr. I. Gabriūnaitė, VU;  
Dr. A. Popov, VU;  
Dr. M. Steponavičiūtė, VU;  
Dr. M. Vagner, VU;  
PhD stud. J. Januškevičius, VU.

### Contact for additional information:

email:

[studentai.cct2022@chgf.vu.lt](mailto:studentai.cct2022@chgf.vu.lt)

### Conference topics:

- Analytical and environmental chemistry, geochemistry;
- Biochemistry, biotechnology and pharmaceutical chemistry;
- Physical chemistry;
- Inorganic chemistry and technologies;
- Organic, polymer chemistries and technologies;
- Food chemistry and technologies.

We invite participants to register until the **2nd of May** on the website:

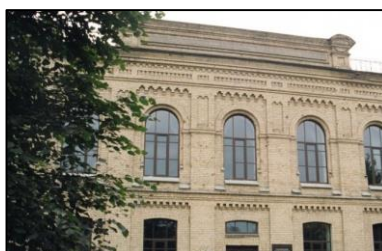

[www.cct-students2022.chgf.vu.lt](http://www.cct-students2022.chgf.vu.lt)

Scientific theses should be sent to email address: [studentai.cct2022@chgf.vu.lt](mailto:studentai.cct2022@chgf.vu.lt) before the **2nd of May**.

Presentation material will be published in the electronic conference book.

### Thesis requirements.

Theses can be either in Lithuanian or English. They should be up to 4 pages, in .docx format, prepared according to the template. **Note:** the thesis will be published without further editing, as sent by the authors.

VU Institute of Chemistry

National Center for Physical Sciences and Technology

### Organizers:
